- Thetford C200 Cassette Toilet
- Morso Squirrel Solid Fuel Stove
- Victron 1600W Inverter/Charger and MPPT Solar Controller
- Solar Panels
- Blacked 2020
- BSS to August 2025

Enter the boat through the steel doors from the Cruiser Stern, as you go down the steps to your left is a full-height cupboard split into two, this is where the electrical equipment is installed but there is plenty of storage as well. To your right is an open storage area, for your coats etc.

Moving into the Galley you have worktops on both sides of the boat, with cupboards and drawers under the right-hand worktop, and then your fridge/freezer, washing machine, oven and a cupboard under the left-hand worktop, with the sink, drainer and hob inset into the top. There is also a high-level shelving unit on your left.

Continue into the saloon where there is a sofa bed to your left with a side hatch opposite. Beyond the sofa is a corner cupboard with the Morso Squirrel Solid Fuel Stove beside it on a hearth. Opposite the stove on the starboard side of the boat is a large shelving display unit that continues through the boat into the office/study area. As you enter the office area there is a full-height wardrobe with hanging rail and a high shelf to your left followed by a large desk area with storage underneath and shelving above.

Moving on through the starboard side corridor to your left is the bathroom with a counter-top washbasin over a cupboard, a Thetford Cassette Toilet, bathroom cabinet with mirror and a tiled shower cubicle with curtain and storage shelving beside the shower.

Following on from the bathroom is the bedroom with a double bed with storage under and a door that leads out to the cratch covered bow.

A mooring is available with this boat

OIRO £55,000

Please note: This is sales information and not a survey report: providing content details only. The specification in these pages is based on CBS visit to the boat and on information provided by the owner(s) This is to help you decide whether to investigate the boat further, recommendations are to employ a surveyor to provide a full survey of the vessel. This information is given in good faith but no description, statement, promise of work to be done, or suggestion for future use, constitutes and offer. If the craft leaves the UK, any necessary VAT paid status may not be available.
