Under the worktop are a Spinflo oven & separate grill, a double doored cupboard and the undercounter fridge. There are also two high-level cupboards either side, one with glazed doors either side for display. On the opposite starboard wall is a double doored cupboard with 2 drawers.

Moving into the Saloon you have a L-shape dinette to your left, then opposite the dinette is the Puffin Villager solid fuel stove on a raised tiled hearth with a drawer under, then to the left of the bow door is a corner shelf with a freestanding TV on top, and shelves underneath. Finally, there are two storage steps that lead out to the bow, which has steel lockers for storage on either side.
