A boat in good general condition,

Walk into the boat at the bow, you have the saloon with a freestanding 3-seater bed settee, 2 Captains chairs, storage cupboards and a wall mounted TV. Carpet on the floor going through the saloon and galley to the bathroom.

Going astern next is the walk-through galley, with ample storage cupboards and inset composite sink and drainer with Monobloc mixer tap. From the galley you have the pullman dinette seating 4 and converts to make a double bed, with storage below the seats.

The Bathroom has a hip bath with shower over it, cassette toilet and corner vanity unit with a circular inset basin with cupboard below. There is also a heated towel rail under the gunwale. The bathroom flooring is blue tile effect cushion flooring.

Finally, you're in the bedroom, that has a fixed cross ways bed, full height wardrobe, that has hanging space in the top and shelves below. Under the bed is more storage, over head lockers, with book lights under. There is small bedside shelves to place that cup of tea.

Getting to the stern is another closet which house the second Cassette Toilet useful if you have guests onboard.

The rear steps lead to the Semi-trad stern with stowage locker (also seating)
