- Karndean Flooring
- Steel : 10/6/5/4
- BSS to June 2022
- Fenders

A very good condition boat that has been well maintained and would make an ideal liveaboard or leisure boat.

Starting at the bow, the cratch covered bow has storage lockers either side, as you step into the saloon you have low level cupboards either side of the door then in front of you are two Captains chairs with matching footstools (*not included in sale*) to the left followed by a L-shape curved dinette which makes into an occasional double bed. Opposite the chairs and dinette is a display unit with shelves and cupboards and a wall mounted TV incorporated as well. There is also a side hatch opposite the dinette.

Moving on into the Galley you have shaped worktops on both sides, to the right is an inset glass lidded hob with low level cupboards and drawers either side, and to the left is an inset stainless-steel sink and then your fridge, cupboards and drawers under the worktop giving you plenty of storage space, as you walk through the Galley you then have an eye level oven and grill to your right with cupboard above containing Microwave, below is the washing machine. Next is the bathroom with a macerator pump-out toilet, quadrant shower and counter-top sink set over a double cupboard with a full height cupboard next to the sink as well.

Continuing on you head into the bedroom with its cross double bed with drawers under and bedside cabinets with corner shelves above. Then there are some large wardrobes/cupboards to your right and opposite those is a cloak-room with a cassette toilet and a sink set into a vanity unit with cupboards underneath.

Finally, you go up the steps and the control panels are to your right, then you are out on the semi-trad stern with lockers either side that act as more storage and somewhere for visitors to sit whilst you are cruising.

A mooring is available with this boat

OIRO £78,500

Please note: This is sales information and not a survey report: providing content details only. The specification in these pages is based on CBS visit to the boat and on information provided by the owner(s) This is to help you decide whether to investigate the boat further, recommendations are to employ a surveyor to provide a full survey of the vessel. This information is given in good faith but no description, statement, promise of work to be done, or suggestion for future use, constitutes an offer. If the craft leaves the UK, any necessary VAT paid status may not be available.
